public open day  
design innovation and excellence

The Robin Boyd Foundation invites you to celebrate design innovation and excellence.

A public open day of five award winning and short-listed houses from the Australian Institute of Architects recent Victorian awards programs.

Robin Boyd was an advocate for good design. He promoted an innovative use of space, materials and structure to create buildings that satisfy, inspire and delight.

In the spirit of Boyd, each year the Australian Institute of Architects recognise the best buildings completed in the preceding year in their annual awards program. The Robin Boyd Foundation in co-operation with the Australian Institute of Architects is pleased to host this self guided tour of outstanding houses located on the Mornington Peninsula.
